

6 PM | SEPTEMBER 3, CHARLOTTE

## BELK COLLEGE KICKOFF GAME PARKING

Attendees are encouraged to use public transportation to get to the stadium on game day. The LYNX Blue Line offers fast, quiet, convenient light-rail service between Uptown Charlotte and I-485 at South Boulevard. Parking is available at seven park-and-ride lots along the line. Stops at the Carson, Stonewall and Convention Center stations put you within blocks of the stadium. [Click here](#) for more information.

There are over 30,000 parking spaces located within five blocks of Bank of America Stadium, available on game day. To see a map of parking locations and prices in the area, visit [ParkWhiz.com](#) using the button below.

book your parking now with  
**PARKWHIZ**

Caldwell Lot located at 501 South Caldwell St.

### RV parking

Recreational Vehicle (RV) parking is available through EZ Parking. EZ Parking especially recommends locations 8-13 on [this interactive map](#). Call

704-376-5559 for more information.

### Parking for those with disabilities

Bank of America Stadium does not have reserved handicap parking on stadium grounds, but it has a limited number of spaces allocated for accessible parking in Lot 1, also known as the Mint Street Parking Facility, located at the corner of Mint and Graham streets and is directly across from the stadium's North Gate.

Parking for fans with disabilities is available on a first-come, first-served basis for vehicles displaying a handicap placard. This location offers convenience and ease, with three entrances and exits. Grilling and open flames are prohibited in this parking lot.

### Drop-off zone for fans with disabilities

For those with disabilities desiring a drop-off point close to the stadium, there will be a lane in westbound Morehead Street approaching Mint Street that will be open to vehicles with handicap placards. It will be marked by orange cones. There is a curb cut at the corner and two driveway cuts along Morehead Street for wheelchair access.

To get to the stadium from the drop-off, simply go to the corner of Mint Street and Morehead Street. Proceed to the right on Mint Street and go under the highway overpass for I-277. The stadium grounds will be on your left after you pass under the overpass. Your ticket will indicate the gate closest to your seat, but you may enter at any gate.

Please keep this drop-off location in mind as you purchase parking. Postgame traffic can be very heavy, and if the driver is parked in an area to the north of the stadium, accessing the handicap lane for pick-up can be very time consuming.

[See the next page for a map](#) of the drop-off zone at Bank of America Stadium.

## DROP-OFF ZONE FOR FANS WITH DISABILITIES

A drop-off/pick-up area for fans with disabilities only has been established in the curb lane of westbound Morehead Street between Church and Mint streets. More information about the drop-off zone can be obtained by calling 704-358-7275.
