General Rules

- Athletes can only be eligible for prize money or age groups awards in the event in which they are registered for.
- All prize money awards are based on gun time and will be removed from contention in the Age Group awards categories.
- Age group awards are based on chip time, not gun time. This means that your official time is considered from when you cross the start line and then the finish line.
- Prize money or age group awards will be issued to the eligible runner on race day and will not be mailed post event.

Top Charlotte Award: Eligibility Rules

The Top Charlotte Male and Female awards (Full and Half Marathon) recognize the fastest local runners and are open only to athletes with a valid Charlotte, NC address.

- Eligible address: Runners must reside within Charlotte city limits at the time of registration and race day, using the mailing address provided at registration.
- Proof of residency: Winners must be able to provide proof of a valid Charlotte address (driver's license, state ID, or utility bill matching the registration address) prior to prize money being issued.
- Stacks with other awards: A Charlotte resident who also places in the Overall or Masters categories will receive both prizes — the Top Charlotte award is a bonus on top of any other prize money earned in the same race.
- Verification: Race organizers reserve the right to request additional documentation and to award or withhold the prize at their sole discretion if residency cannot be confirmed.
